

Editing listings in Matrix Mobile

Users are now afforded several listing modification choices within Matrix Mobile.

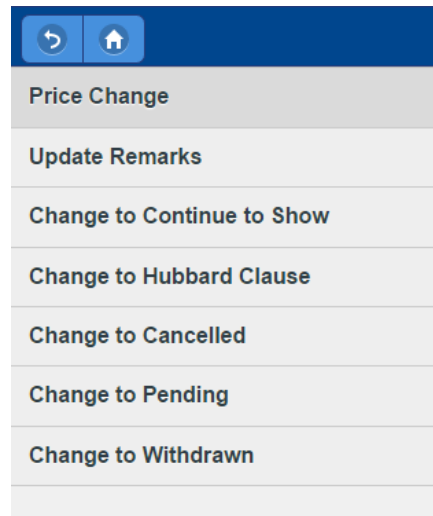

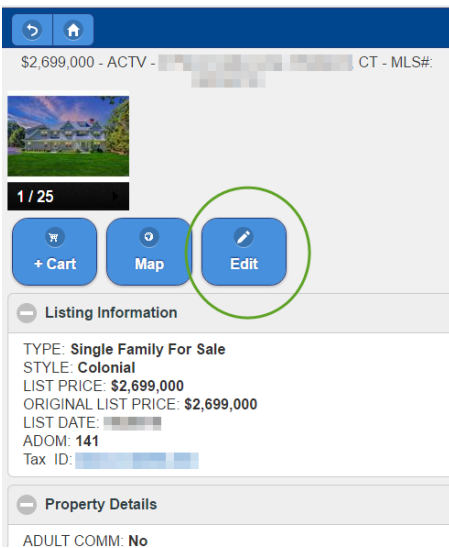

After logging into Matrix Mobile, go to **My Matrix** and tap **My Listings**.

Tap **My Editable Listings**

Tap the **Edit** button,

then choose what you would like to do:

As you can see, there are a limited number of options you have for modifying listings through Matrix Mobile. If there is some other type of change you need to make on your listing, you will need to log into the full version of Matrix.
